A central wine glass is the focal point, containing the text 'BIG BUBBLES & LIGHT REDS'. The background features a detailed line drawing of a city street with multi-story buildings. A large, textured cork is positioned to the right of the glass. The scene is overlaid with vibrant, abstract brushstrokes in shades of red, orange, and yellow. At the bottom right, there is a circular emblem with a grapevine illustration and the text 'JUNE'S WINE 2024'.

BIG
BUBBLES
&
LIGHT
REDS

Will it snow in Austin this year? Will you be able to wear your favorite sweater for more than a few days this winter? Your guess is as good as ours but one thing is for certain during this stretch of the year—it's time for June's **Big Bubbles and Light Reds** zine! You know, the styles of wine that scream "Let's Party" and "It's Celebration Season," while gathered with friends and family. This winter at June's we are highlighting sparkling wines from around the globe all poured from magnums and spicy-tinged reds bursting with red fruit flavors. And best of all, bubbles are all half-off (even big bottles) every Monday night! So, let's pop some bottles and celebrate the end of the year and the hope of a new one.

-Austin Farina,
ASSISTANT WINE DIRECTOR, MML
