*Spirit*

A vertical black and white checkered bar towel is positioned to the right of the text block.

Ah, the Spritz—the Venetian-born thirst quencher best sipped in whatever piazza you happen to be vacationing in—has become a global sensation with as many fans as the margarita and the martini. What's not to love? Refreshing bubbles, internal air-conditioning qualities, and a simple yet complex blend of sweet, sour, and bitter. The Spritz seems made for the sizzling temps here in Austin. June's new zine, *Season of the Spritz*, dives deep into the wonderful world of this effervescent elixir revival. Sure, you'll find a classic Aperol Spritz, but you'll also discover all kinds of variations—from Japan, Spain, and France, and of course, one born right here in Texas. Sit back, relax, unwind, and find a new way to spritz.
